Robust manufacturing processes and quality controls

High level of expertise and efficiency

**"These thicker, fully textured black gloves provide optimal grip and protection against sharp instruments."
- Medicom R&D Team**

KEY FEATURES

Fully textured

Fentanyl safe

Chemo tested

BENEFITS OF NITRILE GLOVES

Comfortable fit

Nitrile gloves conform to hands, providing a snug, comfortable fit to reduce hand fatigue.

Optimal stretch

Nitrile gloves offer optimal flexibility, making them ideal for procedures that require manual dexterity and tactile sensitivity.

Latex free

Nitrile gloves are not made with natural rubber latex, so they are safe for professionals and patients with a latex allergy or sensitivity.
